

SECTION 2 OF 5

Top 25 Buyer Targets

Ranked recruiting & staffing agencies most likely to buy signal-based prospect lists

Scores are 1–5. **Fit** = niche match to the signal engine. **LTP** = likelihood to pay. **⚠** = model or geography caveat

#	Agency	Website	Location	Niche fit	Buyer persona	Evidence	Best offer	Fit	LTP	First outreach angle	Source URL
1	SOLID Personnel	solidpersonnel.com	SF Bay Area, CA	LV / telecom / energy / fire-safety	Founder / BD lead (not found)	Niche skilled-trades firm since 2013: telecom, low voltage, security, fire safety, structured cabling	Weekly CA/West LV, electrical & fire-safety contractor signals	5	4	"I find LV/electrical shops about to staff up before they post jobs"	solidpersonnel.com/about-us
2	Data Center TALNT	datacentertalent.com	Salt Lake City, UT	Data-center	Owner / lead recruiter (not found)	SLC-only data-center recruiter; knows which Wasatch-Front operators are expanding	Weekly Utah / Mountain-West data-center build signals	5	4	"I track which Wasatch-Front operators expand before it's public"	datacentertalent.com/locations/salt-lake-city
3	Bemana	bemana.us	Metairie, LA	Electrical / power / data center	Linn Atiyeh, Founder/CEO (public)	Dedicated Power Generation + Data Center desks	Weekly electrical / power-gen / data-center employer signals	5	4	"Signal list of power & data-center employers entering hiring cycles"	bemana.us/meet-the-team
4	Automationtechies	automationtechies.com	Eden Prairie, MN	Industrial automation	Owner / President (initials only)	Automation-only recruiter 20+ yrs; 2–10 employees	Weekly automation / controls hiring-pressure signals	5	4	"3 manufacturers ramping automation hiring you're not calling yet"	automationtechies.com/who-we-are
